

*Golden Jubilee*

50th Annual Conference of  
**ODISHA ORTHOPAEDIC ASSOCIATION**

•●● Innovations in Orthopaedics: Driving Social Impact ●●•

23rd - 25th January 2026 | Swosti Premium, Puri, Odisha

**PROGRAM  
BOOKET**

# ARTHROSCOPIC ROTATOR CUFF REPAIR

22nd January, 2026 | Time: 8:00AM – 11:00AM

Venue: Hi-tech Medical College, Bhubaneswar

**Course Chairman**

Prof. Dr. Paresh  
Chandra Dey

**Course Director**

Prof. Dr. Ranajit  
Panigrahi

**National Faculty**

Dr. Nawaid Ahmed

**National Faculty**

Dr. P.S. Jayaprasad

**National Faculty**

Dr. Rajiv Gupta

**Conveners**

Prof. Dr. Geetanjali Arora  
Dr. Aurobindo Das

**Coordinator**

Dr. Shakti Swaroop Panda

**Chairpersons**

Dr. Debashish Mishra, Dr. Binod Roulo, Dr. Tapas Panigrahi, Dr Partha Sarathi Das

8:00 – 9:00 AM (8mins each)

## Topic

## Speaker

Radiology and Arthroscopic Anatomy of shoulder

Dr. R.G. Ashutosh Mohapatra

Clinical examination of rotator cuff tear.

Dr. P.C. Dey

Portal placement and diagnostic arthroscopy of shoulder joint.

Dr. Chittaranjan Sahu

Partten of rotator cuff tear, treatment option

Prof. Dr. Debashish Mishra

Single row cuff repair

Dr. Nawaid Ahmed

Double row cuff repair

Dr. P.S. Jayaprasad

Massive Cuff Tear

Dr. Rajiv Gupta

**HANDS ON WORKSHOP : ARTHROSCOPIC ROTATOR CUFF REPAIR**  
(9:00 AM – 11:00 AM)

## Pre Conference Cadaveric Workshop

# SPINOPELVIC FIXATION

22nd January, 2026 | Time: 11:00AM – 2:00PM

Venue: Hi-tech Medical College, Bhubaneswar

### Course Chairman

Prof. Dr. Madan Mohan Sahoo

### National Faculty

Dr. Deepak Joshi

### Course Director

Prof. Dr. Jitendra Ku Rout

### Convener

Prof. Dr. Geetanjali Arora  
Dr. Aurobindo Das

### Coordinator

Dr. Harekrushna Sahu

| Topic                                                         | Speaker            |
|---------------------------------------------------------------|--------------------|
| Anatomy and Biomechanics of spinopelvic region                | Dr. Aditya Panda   |
| Indications and Clinical application                          | Dr. G. Amrit       |
| Surgical techniques and approaches in Spino Pelvic Fixation   | Dr. Deepak Joshi   |
| Complications and Management                                  | Dr. Anand Behera   |
| Recent advances and future directions of Spinopelvic fixation | Dr. Kasinath Swain |

11:00AM – 12:00 PM (8mins each)

**HANDS ON WORKSHOP : SPINOPELVIC FIXATION**  
(12:00 PM - 02:00 PM )

## Pre Conference Cadaveric Workshop

### DIRECT ANTERIOR APPROACH OF HIP

22nd January, 2026 | Time: 2:00PM – 5:00PM

Venue: Hitech Medical College, Bhubaneswar

#### Course Chairman

Prof. Dr. C.P. Das

#### International Faculty

Prof. Dr. Umesh Bhagia  
California, USA

#### National Faculty

Dr. Kartik Patel

#### Course Director

Prof. Dr. Sunil Ku. Dash

#### Conveners

Prof. Dr. Geetanjali Arora  
Dr. Aurobindo Das

#### Coordinator

Dr Subhransu Shekhar Nayak

| Topic                                                     | Speaker                      |
|-----------------------------------------------------------|------------------------------|
| Applied Anatomy                                           | Prof. Dr. Satya Ranjan Patra |
| Ideal Patient Selection                                   | Prof. Dr. Sujit Tripathi     |
| Patient positioning and OT Setup<br>With or without Table | Prof. Dr. Sujit Tripathi     |
| Incision, Acetabular Exposure and Cup Placement.          | Prof. Dr. C.P Das            |
| Femoral Exposure and Stem placement.                      | Prof. Dr. C.P Das            |
| Tips and Tricks of DAA Hip.                               | Prof. Dr. Umesh Bhagia       |
| Surgical Challenges and contraindications of DAA Hip.     | Prof. Dr. Umesh Bhagia       |
| Relive Video : DAA Hip                                    | Dr Kartik Patel              |

2:00 - 3:00 PM (8mins each)

**HANDS ON WORKSHOP (3:00 PM - 5:00 PM )**

## Saw Bone Workshop

### Proximal Humerus Fractures & Hands on Advanced Humeral Nailing(AHN)

23rd January, 2026 | Time: 8:00AM – 11:00AM

Venue: Swosti Premium, Puri

Course Chairman

Prof. Dr. Biswajit Sahu

Course Director

Dr. Biswakesh Panigrahi

National Faculty

Dr. Shailesh Pai

Convener

Dr. Aurobinda Das

Coordinator

Dr. Baban Ojha

#### Topic

#### Speaker

8:00 - 9:00 AM (10 mins each)

Modalities of management of proximal humeral fractures

Dr. Sandeep Biswal

PHILOS- tips and tricks to get right

Dr. N.C. Mohapatra

Complication and failures with philos

Dr. Debashis Mishra

Advanced humeral nail/ multiloc implant design and features

Dr. Shailesh Pai

Rationale of AHN vs PHILOS

Dr. Biswajit Sahu

AHN how to do it right

Dr. Shailesh Pai

Video demonstration on AHN

Dr. Shailesh Pai

**AHN- HANDS ON SAW BONE WORKSHOP**  
(9:15 AM - 11:00 AM)

## Saw Bone Workshop

## HIGH TIBIAL OSTEOTOMY

23rd January, 2026 | Time: 8:00AM – 11:00AM

Venue: Swosti Premium, Puri

Course Chairman

Dr. Sandeep Biswal

National Faculty

Dr. Rajeev Raman

Course Director

Dr. Sumanyu Tripathy

Convener

Dr. Aurobinda Das

Coordinator

Dr. Alok Prusty

8:00 - 9:00 AM (10 mins each)

## Topic

## Speaker

Indications of HTO

Dr. Mantu Jain

Principles and preoperative planning of HTO

Dr. Sumanyu Tripathy

Implants and instruments of HTO

Dr. Sandeep Biswal

Techniques of Lateral close wedge osteotomy using Tomofix

Dr. Chitta Prasad Sahu

Techniques of Medial close wedge osteotomy using Tomofix

Dr. Partha Sarathi Das

Tips and Tricks of HTO

Dr. Rajeev Raman

Management of Complications after HTO

Dr. Akshaya Sahoo

HANDS ON WORKSHOP HIGH TIBIAL OSTEOTOMY  
(9:15 AM - 11:00 AM)

## Saw Bone Workshop

# Mega Prosthesis – Principles to Practice

23rd January, 2026 | Time: 8:00AM – 11:00AM

Venue: Swosti Premium, Puri

**Course Chairman**

Dr. Sujit Tripathy

**National Faculty**

Dr. Mandip Shah

**National Faculty**

Dr. Rajeev Reddy

**National Faculty**

Dr. Sudhir Kapoor

**Course Director**

Dr. Tushar Panda

**Convener**

Dr. Aurobinda Das

**Coordinator**

Dr. Bibhudatta Mall

| Topic                                                                                        | Speaker                  |
|----------------------------------------------------------------------------------------------|--------------------------|
| History, Implant Design, and Types of Megaprosthesis                                         | Dr. Tushar Panda         |
| Indications of Megaprosthesis                                                                | Dr. Dibya Singha Das     |
| Radical Excision in Osteosarcoma and Megaprosthesis – Distal Femur (Video)                   | Dr. Mandip Shah          |
| Radical Excision and Megaprosthesis – Proximal Tibia (Video)                                 | Dr. Ksitish Behera       |
| Complications and Outcomes of Megaprosthesis                                                 | Dr. Sudhir Kapoor        |
| Tips and Pearls for a Perfect Megaprosthesis                                                 | Dr. Rajeev Reddy         |
| Management of Failed Megaprosthesis                                                          | Dr. Sujit Kumar Tripathy |
| Case-Based Discussion: Megaprosthesis in Different Anatomical Sites/complications management | All Faculty              |

8:00 – 9:00 AM (10 mins each)

**Hands on Saw Bone Workshop –  
DISTAL FEMUR MEGAPROSTHESIS/ PROXIMAL TIBIA MEGAPROSTHESIS  
(9:15 AM - 11:00 AM)**

# Saw Bone Workshop

## PROXIMAL FEMUR FRACTURES AND HANDS ON OM NAIL NAILING SYSTEM - NAILING WITH SINGLE BLADE / SCREW

23rd January, 2026 | Time: 8:00AM – 11:00AM

Venue: Swosti Premium, Puri

### Course Chairman

Dr. Sanjeev Patnaik

### National Faculty

Dr. Abhijit Bandopadhyay

### National Faculty

Dr. Arnab Karmakar

### Course Director

Dr. P.K. Merli

### Convener

Dr. Aurobinda Das

### Coordinator

Dr. Jitendra Sarangi

### Topic

### Speaker

8:00 - 9:00 AM  
(8 mins each)

Implant options in Proximal Femur fractures

Dr. Sanjeev Patnaik

Tips and Tricks of achieving a perfect reduction.

Dr. Saroj Patro

Predictors of failure and how to overcome

Dr. Abhijit Bandopadhyay

PFN with TSP

Dr. Nikhilesh Das

Management of failed fixation for Proximal femur fractures

Dr. Arnab Karmakar

**HANDS ON WORKSHOP OM NAIL NAILING SYSTEM**  
(9:15 AM - 11:00 AM)

## Saw Bone Workshop

# TOTAL KNEE REPLACEMENT

24rd January, 2026 | Time: 8:00AM – 9:00AM

Venue: Swosti Premium, Puri

### Course Chairman

Prof. Basant Kumar Behera

### Course Director

Dr. Satya Prasanna Nayak

### International Faculty

Dr. Anant Narayan Mahapatra

### Table Instructor

Dr. Siddharth Satyakam Pradhan

### Convener

Dr. Aurobinda Das

### Coordinator

Dr. Ayaskanta Satapathy

## Topic

Patient Selection and Preoperative Assessment

Evolving Concepts of Knee Alignment

Surgical Approach and Types of implants

Steps of Primary TKR in Varus Knee

Valgus Knee

Soft tissue release in Varus and Valgus Knee

Navigation in TKR

## Speaker

Dr. Sumanyu Tripathy

Dr. Dibya Singha Das

Prof. Dr. Naresh Kr Panigrahi

Prof. Dr. Basant Behera

Dr. Deepak Rohella

Prof. Dr. S.P. Nayak

Dr. Kishor Panda

## OOACON 2026 SCIENTIFIC PROGRAM (NILACHAKRA HALL)

23rd January 2026 | Day 1 (Friday)

10:00 AM Onwards

REGISTRATION

10:50 AM - 11:00 AM

INAUGURATION OF SCIENTIFIC SESSION

11:00 AM - 12:30 PM

SESSION - A : UPPER LIMB TRAUMA

PANEL DISCUSSION

11:00 AM - 11:40 AM

**Topic:** Proximal Humerus Fracture - From Basic to Advanced

**Moderator:** Dr. J. Dheenadhayalan

**Panelists:**

Dr. Vivek Trikha, Dr. Shailesh Pai, Dr. R. K. Mohapatra, Dr. Tushar K. Panda,  
Dr. Saroj Patra, Dr. B Kanakaya Reddy, Dr. Partha Das

DEBATE SESSION

11:40 AM - 12:00 PM

**Topic:** Radial Head Fracture - (ORIF VS Replacement)

**ORIF:** Dr. Sailesh Pai

**Replacement:** Dr. Sanjeev Patnaik

**Final Verdict:** Dr. Swarnendu Samanta

**Chairpersons:**

Dr. Kiran Mishra, Dr. Dasarath Kisan, Dr. Gayadhar Pradhan, Dr. Arun Kumar Naik

LECTURE SESSION

12:00 PM - 12:15 PM

**Topic**

**Speaker**

Scapula Fracture: when to fix and how to fix?

Dr. N. C. Mohapatra

Terrible Triad of Elbow

Dr. Swarnendu Samanta

**Chairpersons:**

Dr. Sankarsan Patro, Dr. Bijay Lamay, Dr. K. Saskar Rao, Dr. Damodar Panda, Dr. T. S. K Gupta

12:15 PM - 12:30 PM

GOLDEN JUBILEE ORATION - 1

**Speaker:** Dr. J. Dheenadhayalan

**Topic:** My Experience in Non Union Management

**Chairpersons:**

Dr. R. N. Jee, Dr. Biswajit Sahu, Dr. Sunil Ku Dash, Dr. Ranajit Panigrahi,  
Dr. Basanta Kumar Behera

|                     |                                                                                                                                                                                                                                                                                                                  |                           |

|                                                                             | A Prospective Study on Outcomes of Suprapatellar Nailing in the Management of Tibial Shaft Fracture                 | Dr. Priyam Agrawal        |
|                                                                             | Comparison of Conservative and Surgical Treatment of Displaced Intra-articular Calcaneal Fracture                   | Dr. Satadipan Nayak       |
|                                                                             | Vascularized Fibula Transfer for Humerus Reconstruction in Paediatric Patients: a Systematic Review                 | Dr. Shaikh Arbab Mohammad |
|                                                                             | Supracutaneous Plating: Use of Locking Compression Plate as External Fixator for Intra-articular Compound Fractures | Dr. Shrimaya Pani         |
|                                                                             | Early Versus Delayed ACL Reconstruction: Functional and Economic Outcomes in a Propensity-matched Cohort Study      | Dr. Sidhartha Poddar      |
|                                                                             | Comparison of Conservative and Surgical Treatment of Displaced Intra-articular Calcaneal Fracture                   | Dr. Amrit Kumar Swain     |
| <b>Chairpersons:</b><br>Dr. Abhishek Mishra, Dr. M. Jagjit, Dr. Susant Sena |                                                                                                                     |                           |

03:15 PM - 04:00 PM

## JUNIORS FREE PAPER PRESENTATION - MODULE C

|  |                                                                                                                                                       |                                   |
|--|-------------------------------------------------------------------------------------------------------------------------------------------------------|-----------------------------------|
|  | Bimalleolar Fracture Subluxation of Ankle With Ipsilateral Concomitant Talus and Calcaneum Fracture: Rare Case Report                                 | Dr. Sourav Kumar Bhoi             |
|  | Comparative Study on Surgical Outcome in Treatment                                                                                                    | Dr. Sudhansu Mahapatra            |
|  | Management of Non-union of Femur With Interlocking Nail by Plate Augmentation & Autologous Bone Grafting – a Review of 8 Cases                        | Dr. Susil Kumar Pati              |
|  | A Strategic Approach to Complex Ipsilateral Femur Fractures: Dual Constructs for Intraisthmic and Single Construct for Supraisthmic Shaft Involvement | Mr. Dibyajyoti Mohapatra          |
|  | Assessing the Functional Outcomes of Facet Retractor Assisted Lumbar Interbody Fusion(F-LIF) -a Retrospective Study of 100 Cases.                     | Dr. Giri Pranav                   |
|  | Radiological and Functional Outcomes of Autologous Bone Grafting for Established Aseptic Non-union of Tibial Shaft Fractures (>9 Months)              | Dr. Karankant Prasad              |
|  | Shepherd's Crook Deformity of the Proximal Femur in Fibrous Dysplasia Treated With Valgus Corrective Osteotomy and Fibular Grafting: a Case Report    | Dr. Deepak Kumar Padal            |
|  | A Prospective Study on Functional Outcome of Supracondylar Femur Fractures Treated With Locking Compression Plate                                     | Dr. Mohammed Zakkariah            |
|  | Short-term Functional Outcome Following Primary Total Hip Replacement With and Without Acetabular Screw Fixation: a Prospective Indian Cohort Study   | Dr. Rohit Kumar                   |
|  | Anatomical Volar Plate Osteosynthesis for Volar Barton's Fractures: a Prospective Outcome-based Analysis                                              | Dr. Syed Arshad Ali Mannan Hashmi |
|  | All Inside Arthroscopic Acl Reconstruction With Internal Brace Ligament Augmentation Using Semitendinosus Autograft : a Prospective Cohort            | Dr. Nilesh Panda                  |
|  | Bilateral Total Hip Arthroplasty in a 19-year-old                                                                                                     | Dr. Ajay Tiwari                   |
|  | Valgus Osteotomy of the Proximal Femur With Sliding Hip Screw for the Treatment of Femoral Neck Non-unions: a Prospective Analysis                    | Dr. Rishav Mohapatra              |
|  | Corrective Osteotomies Done in Osteogenesis Imperfecta, a Case Series of Seven Cases (december 2023-december 2025)                                    | Dr. Soumyajit Patra               |
|  | <b>Chairpersons:</b><br>Dr. Girish Sahoo, Dr. Ashok Kumar Gochhayat, Dr. Suresh Chandra Pal                                                           |                                   |

## OOACON 2026 SCIENTIFIC PROGRAM (NILACHAKRA HALL)

24th January 2026 | Day 2 (Saturday)

09:00 AM - 10:00 AM

### SESSION - E : BASIC SCIENCE AND RESEARCH

#### LECTURE SESSION

##### Topic

##### Speaker

Biomechanical Research in Orthopaedics

Dr. Tanmoy Mohanty

Deep Freezed Bone Banks - My Experience

Dr. Sudhir Kapoor

Art of Scientific Writing

Dr. Srinivas B. S. Kambhampati

Basics of 3D Printing for Orthopaedic Surgeons

Dr. Vishal Kumar

Is There Any Evidence That EBM Works in Orthopaedics?

Dr. Debakanta Jena

Implant Associated Biofilms : Evolving Solutions in  
Orthopaedics

Dr. Biswajit Sahu

##### Chairpersons:

Dr K.M Pathi, Dr U. N. Misra, Dr Vivek Tirkha, Dr. J. Dheenadhayalan, Dr. Abani Kanta Mishra

10:00 AM - 10:20 AM

### PROF R.C MOHANTY FOUNDER PRESIDENT ORATION

Speaker: Dr. R. N. Mohanty

Topic: Clubfoot Management Present Scenario

##### Chairpersons:

Dr. K R Mahapatro (President OOA), Dr. Satya R. Patra (Secretary OOA)

10:20 AM - 10:45 AM

### PROF Dr P. T RAO MEMORIAL ORATION

Speaker: Dr. Rajiv Shah

Topic: How I Prevent & Manage Ankle Malunion

##### Chairpersons:

Dr. K R Mahapatro (President OOA), Dr. Satya R. Patra (Secretary OOA)

10:45 AM - 11:00 AM

### GOLDEN JUBILEE ORATION - 5

Speaker: Dr. Ashish Babhulkar

Topic: Shoulder Arthroplasty Stemless to Reverse - The Full Monty

##### Chairpersons:

Dr. Kiran Mishra, Dr. Biswajit Sahu, Dr. Sunil Ku Dash, Dr. Ranajit Panigrahi,  
Dr. Debashish Mishra

|                     |                                                                                                                                                                                                                                                                                                                                                           |                             |

## OOACON 2026 SCIENTIFIC PROGRAM (CHANDRABHAGA HALL)

24th January 2026 | Day 2 (Saturday)

08:00 AM - 09:00 AM

### PG QUIZ

Quiz Master: Dr Abhimanyu Madhual, Dr Jitendra Sarangi

09.00 AM - 10.00 AM

### ORTHOBIOLIGICS

#### LECTURE SESSION

Duration: 8 mins

#### Topic

#### Speaker

Role of PRP in mucoid degeneration of ACL

Dr. Gunjar Jain

Role of BMAC in OA Knee

Dr Krishna Subramanyam

Evidence-Based Use of PRP in Musculoskeletal Medicine

Dr Madhan Jeyaraman

Role of OATS technique in Osteochondral lesions

Dr Aurobinda Das

#### Chairpersons:

Dr Sibasis Panigrahi, Dr N N brahama, Dr Sarthak Sahoo

#### PANEL DISCUSSION

09:40 AM - 10:00 PM

#### Topic: Orthobiologics

Moderator: Dr. Bishnu Prasad Patro

#### Panelists:

Dr. Krishna Subramanyam, Dr. Madhan Jeyaraman, Dr. Gurudeo Kumar,  
Dr. Chitta Ranjan Sahoo, Dr. Gunjar Jain

11:00 AM - 12:00 PM

### PEDIATRIC ORTHOPEDICS

#### LECTURE SESSION

Duration 8mins each

#### Topic

#### Speaker

A New Understanding of the Flat Feet in Children

Dr. Ashok Johari

Radial Club Hand- Current Concepts and Challenges in Treatment

Dr. Sakti P Das

Judicious Use of Growth Modulation Plate in Pediatric Orthopedics

Dr. Pabitra Kumar Sahoo

Physeal Growth Arrest- What Are Our Solutions?

Dr. Ashok Johari

Rationale and Algorithm of Treatment of Clubfoot in Older Children

Dr. Jagannath Sahoo

#### Chairpersons:

Dr. N.C Mahakul, Dr.Biplabi Das, Dr. Bijay Kumar Sahoo

11:00 AM - 11:45 AM

|                     |                                                                                                                                                                                                                                                                        |                      |

## OOACON 2026 SCIENTIFIC PROGRAM (CHANDRABHAGA HALL)

**25th January 2026 | Day 3 (Sunday)**

**08:00 AM - 10:00 AM**

### UC JENA PG PAPER COMPETITION

Comparison of Early Outcomes of Screwless and With Screw Acetabular Cup Fixation in Primary Hip Arthroplasty

Dr Anirudh Sarma

Hip Biomechanics, Health-related Quality of Life and Walking Ability After Intra-medullary Fixation in Intertrochanteric Fracture: a Prospective Cohort Study

Dr M Mayur

Strengthening the Grip: Wrist & Hand Exercises for Osteoporosis- Preventing Wrist Fractures

Dr. Ayankisa Panda

Rebuilding in Knee Joint Surface : the Role of Multiple Oats Grafts in Large Cartilage Defects

Dr Anshuman Das

Outcome Analysis of the Role of 95° Angled Blade Plate in the Management of Difficult Proximal Femur Fractures

Dr Simrunjeet Singh Chawla

Augmented Repair of Grade II/III MCL Tear Using Remnant of Peroneus Longus Tendon Graft in an Acute Multiligament Knee Injury With Concurrent ACL Reconstruction

Dr Viraj Suvarna

Assessing Outcomes of Distal Femur Fractures Treated With Nail and Plate Construct Combination

Dr Ashish Kumar Sahu

Artificial Intelligence Assisted Structured Reflection in Orthopaedics

Dr Shubham Satpathy

Rotation Restored Fasciata Interposition in Proximal Radioulnar Synostosis

Dr Piyush Sharma

Functional and Psychological Readiness for Return to Sports in ACL in Hamstring Vs Quadriceps Tendon Autograft Randomised Controlled Study

Dr Abhaya Tyagi

Comparative Functional Outcomes of Endoscopic Vs Open Haglund Excision :- a Prospective Cohort Study Using Aofas Hindfoot Scores

Dr. Ninad Rananavare

Clinical Outcomes in Combined Reconstruction of Anterior Cruciate Ligament and Anterolateral Ligament in High Grade Pivot Shift.

Dr. Divya Bajoria

Retrospective Analysis of Functional Outcomes of Lumbar Spinal Decompression and Fusion in Degenerative Disease of Spine

Dr Bighnesh Biraj Muduli

Treatment of Fracture Proximal Shaft Femur in Shepherd Crook Deformity in Case of Fibrous Dysplasia With Lateral Closed Wedge Osteotomy With Fibular Graft With Fixation With Distal Femoral Anatomical Locking Plate of Contralateral Side.

Dr Siddharth Moharana

#### Chairpersons:

Dr. B. N. Mohapatra, Dr. N. C. Mahakul, Dr. Bishnu Patro

| 10:00 AM - 10:40 AM | <b>JUNIORS FREE PAPER PRESENTATION - MODULE 4</b>                                                                                                                                                      |                           |
